

The Special Youth Programme fellowship consists of an initial 4.5 months fellowship at UNFPA Headquarters, New York, followed by a continued fellowship of another 4.5 months in the UNFPA Office in the country of the fellow.

UNFPA will recruit six young people to be Special Youth Fellows.

This programme is designed to give young people from developing countries opportunities to engage in policy development and programming; to help build the capacity of young people; and to sensitize both young people and UNFPA staff on partnering to address adolescent and youth issues.
